For Use With BT7850 Poles

Installation Guide

Do not attempt to install this product until all instructions and warnings have been read and properly understood.

Please keep these instructions for future reference.

Please check carefully to make sure there are no missing or defective parts - defective parts must never be used.

B-Tech AV Mounts, its distributors and dealers are not liable or responsible for damage or injury caused by improper installation, improper use or failure to observe these safety instructions. In such cases, all guarantees will expire.

Pole finishing ring halves can be retro fitted and when connected form a ring around the pole.
