

BT7000

SINGLE SCREEN DIGITAL SIGNAGE KIOSK

The **BT7000** is a display kiosk designed to portrait mount a single digital signage screen. A rigid chassis is fixed to a heavy duty steel base which can be used freestanding or bolted to the floor and is finished stylishly with satin black or white outer covers. The internal mounting system is made up of parts from our System X range, allowing micro-adjustment to ensure the mounted screen sits perfectly level and flush with the front opening of the kiosk, which is laser cut to match your screen size.
