

BT7611

UNIVERSAL E-PAPER WALL MOUNT WITH TILT

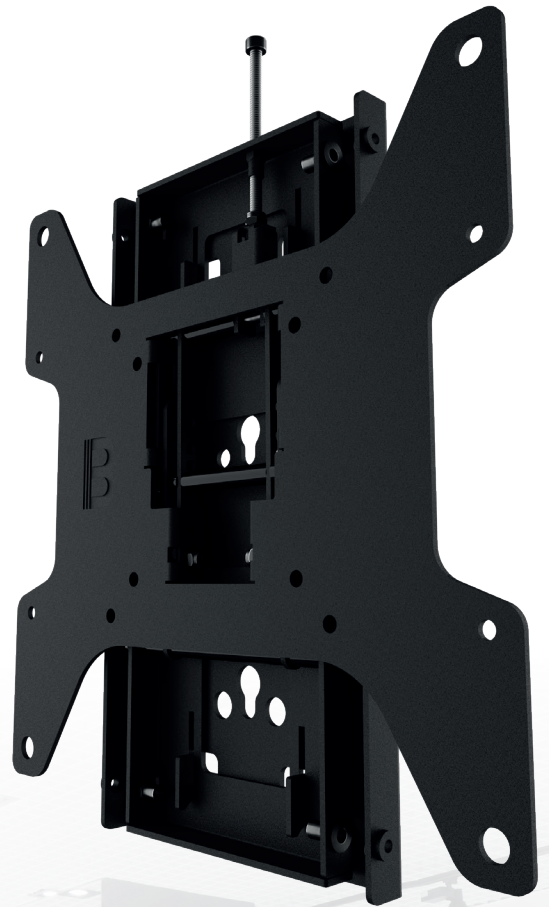

The **BT7611** is a wall mounting solution designed for E-Paper displays and standard flat screens up to 43". With an ultra-slim design, the mount delivers a low profile installation while offering flexible tilt adjustment for precise screen positioning. Engineered with versatility in mind, the BT7611 can be configured in multiple ways: as a fixed flat-to-wall mount, a tool-less tilt mount, or as a compact pull-out mount for easy access and maintenance. The hook-on design and keyhole mounting ensures a quick installation, while an integrated locking screw provides additional security in public environments.
