

BT7780

SMALL AV STORAGE CRADLE

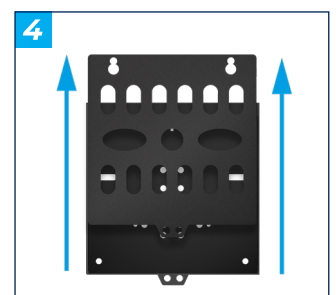

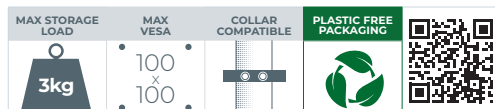

The **BT7780** is a compact AV storage cradle, ideal for storing small AV devices such as media players and digital signage units. Its open-framework design ensures optimal airflow to keep mounted devices cool while providing secure protection. The cradle prevents unauthorised removal with M6 and M8 screws. The BT7780 can be easily mounted to Ø50mm poles using B-Tech's System 2 collars, or directly attached to System X mounting rails, columns, screen mounts, and the rear of screen mounts.

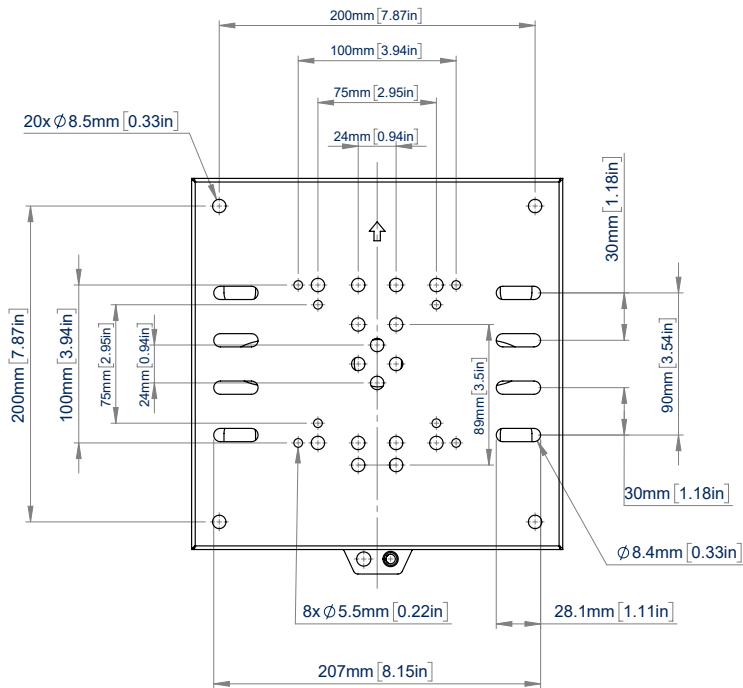

SPECIFICATIONS

Max storage load	3kg
VESA® fixings	up to 100 x 100
Inner dimensions	W: 231mm H: 231mm D: 64mm
