

BT7884

FLIP-DOWN AV STORAGE TRAY

The **BT7884** is the ideal solution for fixing AV accessories such as power supplies, media players and video conferencing equipment to any solution that uses a BT8390 Mounting Rail - such as Mode-AL and System X stands. Equipment is easily fitted to the removable plate and simply attached onto the tray. A tool-less release lever and assisted soft open/close system allows the tray to smoothly swing between the open and closed positions, giving user access to the fitted equipment.

SPECIFICATIONS

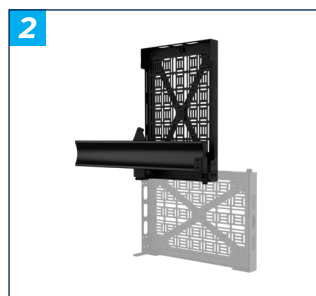

Max storage load	10kg
External dimensions	L : 500mm W : 380mm D : 92mm
Max width of stored AV equipment	73mm

FEATURES

- 1 Flip-down function allows easy access to equipment
