

BT8380-CASTORS

SYSTEM X™ 4" NON-MARKING BRAKED CASTORS

Designed to add mobility to System X stands, the **BT8380-CASTORS** screw directly into the BT8380-BASE and feature a 4" non-marking rubber wheel that won't damage floors when the solution is stationary or whilst being moved. Supplied in pairs, the castors come with an easy to use brake pedal that keeps installations firmly in place when needed but allows quick and simple repositioning as required.

SPECIFICATIONS

Wheel diameter	100mm
Wheel width	40mm
Height (including base)	193mm
Castors supplied (per pack)	2
Colour	Black

FEATURES

- 1 Quickly screws into the BT8380-BASE to add mobility to System X floor stands
- 2 Braked mechanism allows the castors to be locked in position
- 3 Supplied in pairs, two castors are required for each base used
- 4 Non-marking design allows installations to be repositioned without damaging floors
