

BT8517

XL TWIN SCREEN VC TROLLEY FOR SCREENS UP TO 75"

The **BT8517** is a premium mobile mounting solution designed to mount two screens side by side, ideal for video conferencing applications. Non-marking braked castors allow the trolley to be relocated easily and safely without marking floor surfaces and the integrated cable management hides cables for a smart installation in any environment. Interface arms feature level adjustment screws to help align the screens height.
