

BT9905

SYSTEM X ULTRA-STRETCH SIGNAGE MOUNT FOR LG 86BH5C

The **BT9905** is a System X mounting solution that is ideal for landscape mounting LG's 86BH5C Ultra-Stretch Signage to a wall. At a depth of just 47mm, the finished install is close to the wall but still allows enough room for easy access to connectors. Safety screws come as standard to help prevent unauthorised removal of the screen and height adjustment screws allow the screen to be levelled perfectly after installation.
