

BT513

FLAT SCREEN WALL MOUNT WITH DOUBLE ARM FOR SCREENS UP TO 55"

The **BT513** ultra-slim wall mount with a double arm is designed for mounting large-sized screens. It includes a tilting interface and three swivel points, facilitating quick and easy repositioning of the screen—whether folded flat to the wall or at maximum extension. The mount has a cable management clip to neatly route cables along the double arm, ensuring a tidy installation. It's well-suited for both home installations and commercial applications.
