

BT5910

DOME SECURITY CAMERA MOUNT FOR Ø38MM POLES

The **BT5910** is a CCTV dome camera mount from B-Tech's System V Range; a collection of components designed for the installation of CCTV and other ceiling mounted equipment. Designed for use with BT5935 ø38mm poles, the mount can support a small to medium-sized dome camera up to 5kg and when used with other parts from the System V Range, allows professionals to customise their ceiling mounted security solutions to their specific requirement.

SPECIFICATIONS

Max load	5kg
