

BT5964

CCTV CEILING MOUNT FOR A TILTED FLAT SCREEN & DOME CAMERA

The **BT5964** is a CCTV ceiling mount designed for a small to medium-sized dome security camera and a flat screen display. Available with a 1 or 2 metre ceiling drop in a choice of black or white finishes, the BT5964 features integrated cable management, allowing cables to run through the centre of the pole and out through either the top or side of the ceiling mount, ensuring finished installations are neat and tidy. The screen mount features tilt adjustment for simple positioning of the display. For longer drops, the pole length can be extended using a joiner (BT5924) and additional poles (BT5935) from the System V Range.

SPECIFICATIONS

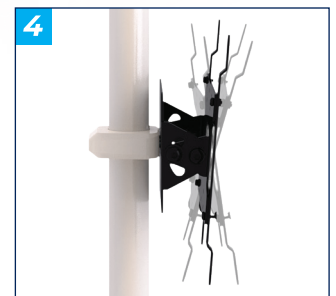

Recommended screen size	up to 47"
Max. screen load	25kg
Max. camera load	5kg
Tilt of screen	+/- 15°
VESA screen compatibility	up to 200 x 200
