

BT8417

TWIN SCREEN VC WALL MOUNT FOR SCREENS UP TO 75"

The **BT8417** is a premium wall mounting solution designed for mounting two screens side by side for video conferencing applications. The mount features an adjustable VC shelf that gives the user the flexibility of mounting a VC camera above or below the screens. Additional features include adjustable levelling screws for easy height adjustment, and safety screws that help to prevent unauthorised removal of the screen.
