

BT8598

HEAVY DUTY MOTORISED HEIGHT ADJUSTABLE FLAT SCREEN TROLLEY

The **BT8598** is a heavy-duty, motorised height-adjustable trolley designed for flat screens up to 120", making it ideal for large touch screens and interactive displays. Featuring smooth 65cm motorised height adjustment with a digital display controller, it enables the screen to be positioned at the optimum viewing height. The trolley includes a toolless AV storage box for quick and convenient equipment access, integrated cable management, and non-marking braked castors for safe mobility. Safety screws help prevent unauthorised screen removal, providing added security in professional AV environments.
