

BT7594

FULL MOTION ARTICULATING ARM MEDICAL CEILING MOUNT FOR SCREENS FROM 4LBS - 18LBS

Designed for flat screens up to 28", the **BT7594** full motion ceiling mount is ideal for mounting above and beside hospital beds. Supplied with an optional handle for easy screen positioning and a built-in gas spring system that offers simple height and distance adjustment. The full motion design enables the mount to be folded away when not in use.
