

BT7832

COLLAR / PILLAR CLAMP

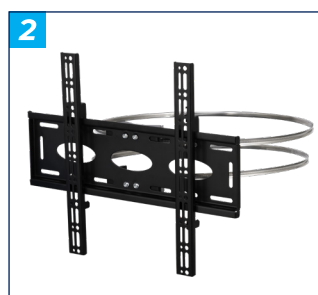

The BT7832 is designed to work with a collar compatible B-Tech flat screen mount to display digital signage on a round column or pillar. The straps wrap around the column so no drilling is required and are adjustable making them suitable for different sized columns. Ideal for any indoor environment where columns are used instead of walls, such as airports, conference halls, gangways, offices and sports auditoriums.

SPECIFICATIONS

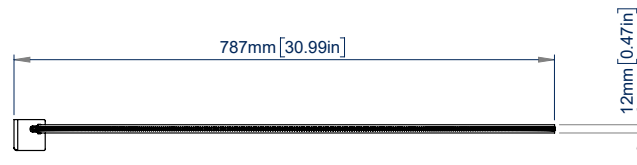

Max load	110lbs
Adjustable width	5.5" - 29.5"

FEATURES

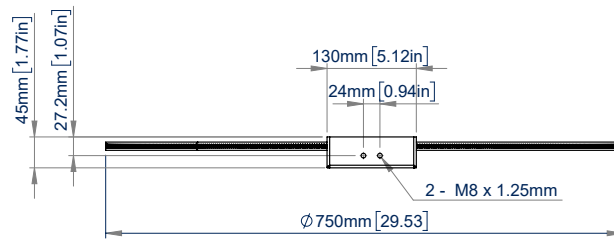

- 1 Allows displays to be mounted around a column or pillar, without drilling
 - 2 Use with a collar compatible flat screen mounts such as BT8441 or BT8432
 - 3 Suitable for landscape or portrait mounting
 - 4 Secure locking mechanism prevents the strap becoming loose over time
- Straps can be moved up and down for different height wall mounts
 - Strap holds firmly onto the column without slipping
 - Ideal for use in airports/offices/sporting auditoriums
