

BT7841

SYSTEM 2™ 2-PIECE ACCESSORY COLLAR FOR Ø2" POLES

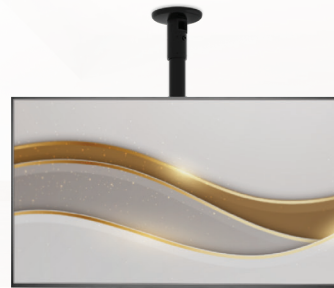

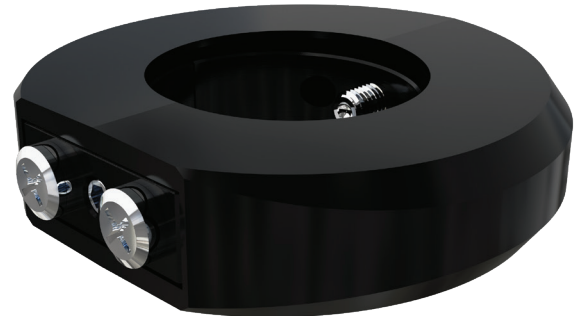

The **BT7841** Ø2" Accessory Collar is a fundamental component of the 'System 2' range, facilitating the attachment of various mounts and accessories to B-Tech poles. Its 2-piece split design ensures a swift and straightforward installation process, enabling the retrofitting of accessories onto existing installations without disassembly. The inclusion of plastic cover plates as standard provides a neat appearance for finished installations.
