

BT7885-TRAY

AV STORAGE TRAY FOR USE WITH BT7885 PULL-DOWN MOUNT

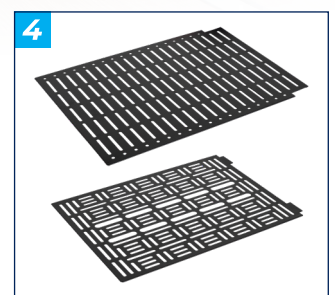

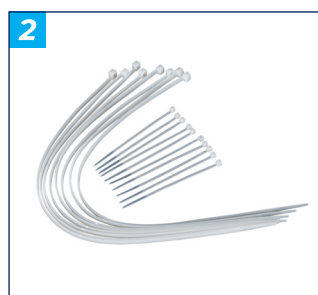

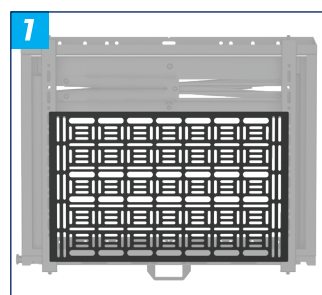

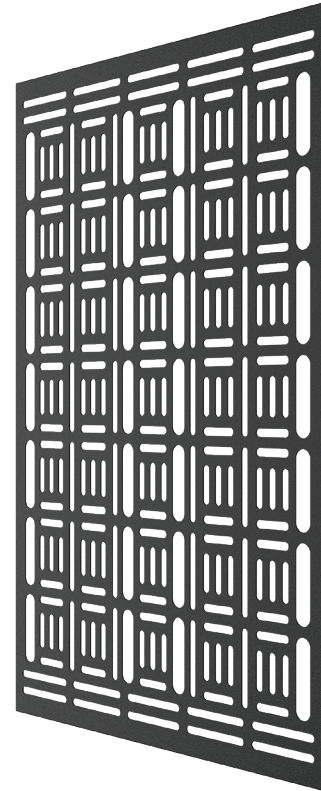

The **BT7885-TRAY** is a replacement storage tray for use with BT7885 Pull-Down Wall Mount, making the change over of attached AV equipment even easier. BT7885 features a quick-release mechanism that allows the pull-down equipment interface to be accessed from the bottom of the screen; the storage tray can then be released from the mount and changed over quickly. Cable ties are also included to attach AV equipment to the tray.
